A) The Shareholders' right to participate in the General Meeting

In accordance with Article 406¹ of the CCC, the right to participate in the General Meeting shall be vested only in those persons who are the Company's Shareholders sixteen days before the date of the General Meeting, i.e. on **4 June 2024**, that date being the date of registration for the participation in the General Meeting (the "record day").

Pursuant to Article 406³ § 1 of the CCC, to ensure the participation in the General Meeting, a Shareholder authorised to participate under dematerialised bearer shares shall require a registered certificate on the right to participate in the General Meeting from the entity keeping the securities account. The certificate shall be required not earlier than the announcement on the convocation of the General Meeting has been issued and not later than on the first business day after the registration of the participation in the General Meeting, i.e. on **5 June 2024**.

The above certification shall contain all information referred to in Article 406³ § 1 of the CCC. Upon request from a person authorised under dematerialised bearer shares, the part of or all the shares registered in his or her securities account should be specified in the certificate.

The list of those authorised under bearer shares to participate in the General Meeting shall be established by the Company on the basis of a list made by the entity keeping the securities account in conformity with the provisions on financial instrument trading (the National Depository for Securities, further the "NDS"). The list will be prepared in conformity with Article 406³ § 5 of the CCC on the basis of the certificates on the right to participate in the General Meeting. The Management Board recommends to the Shareholders, however, that they should hold registered certificates on the right to participate in the General Meeting, such certificates to have been issued by the entity keeping the securities account.

Three business days before the date of the General Meeting, i.e. on 17, 18 and 19 June 2024, on the premises of the Management Board (the address: INPRO S.A., ul. Opata Jacka Rybińskiego 8, 80-320 Gdańsk) the list of Shareholders authorised to participate in the General Meeting will be made available for inspection, and will contain all the data specified in Article 407 § 1 of the CCC. A Shareholder will be able to request the Shareholders' list to be sent to him or her by electronic mail free of charge by providing the address to which the list should be sent. 2. moreover, if a request is made by an attorney in fact: a copy of the power of attorney given by the Shareholder, or by a person authorised to represent the Shareholder (in the case of the Shareholder who is not a natural person) and a copy of the identity card, passport or of another official document confirming the identity of the attorney in fact or, in the event that the attorney in fact is not a natural person, a copy of an extract from the relevant register or of another document, issued not later than three months before the date of the Ordinary General Meeting, confirming the right of the natural

- person(s) to represent the attorney in fact, and the copies of identity cards, passports or of another official document confirming the identity of the natural person(s) authorised to represent the attorney in fact.
3. a document(s) confirming the holding of the relevant number of shares in the Company thus authorising the holder to submit a request.

The request may be submitted in writing to the Company's registered office at ul. Jacka Rybińskiego 8, 80-320 Gdańsk or in the electronic version, in the form of PDF files, by electronic mail to the following address: wza@inpro.com.pl.

The Management Board of the Company shall immediately and not later, however, than 18 days prior to the date of the General Meeting, announce the changes in the agenda, introduced upon request from the Shareholder(s). The new agenda shall be announced in the way appropriate for the convocation of the General Meeting.

II) The Shareholder's right to submit draft resolutions on the matters introduced into the agenda of the General Meeting or those matters which are to be introduced into the agenda before the date of the General Meeting

In compliance with Article 401 § 4 of the CCC, the Company's Shareholder(s) representing at least one twentieth of the share capital may, before the date of the General Meeting, submit to the Company draft resolutions on the matters introduced into the agenda of the General Meeting or those matters which are to be introduced into the agenda. The drafts may be submitted in writing or by electronic mail, in conformity with the procedure specified above in item I). The documents specified in the above item I) points 1, 2 and 3, shall be attached to the drafts.

Bearing in mind principle 4.6 sentence 2 and principle 4.8 of Best Practice for GPW Listed Companies 2021 (further BPLC) the Company's Management Board requests the shareholders to submit proposals for draft resolutions not later than 3 days before the General Meeting and the presentation of those drafts with an explanatory statement to make it easier for the shareholders taking part in the General Meeting to vote on the resolutions with suitable knowledge.

III) The Shareholder's right to submit draft resolutions on matters introduced into the agenda during the session of the General Meeting

Each of the Shareholders authorised to participate in the General Meeting may, during its session, submit draft resolutions on the matters introduced into the agenda (Article 401 § 5 of the CCC).

IV) The way of exercising the voting right by an attorney in fact

A Shareholder who is a natural person may participate in the General Meeting and exercise the voting right personally or through an attorney in fact. The power of attorney shall specify the number of shares under which the attorney in fact exercises the voting right. A Shareholder who is a legal person or an organisational unit not having legal personality may participate in the General Meeting through a person authorised to make statements of will on behalf of such a Shareholder or through an attorney in fact.

The power of attorney shall be given in writing or in the electronic form. The power of attorney given in the electronic form does not require to be signed with the safe electronic signature verified by means of a valid qualified certificate.

For the identification of a Shareholder giving the power of attorney, the following shall be attached to the power of attorney:

- in the case of a Shareholder being a natural person – a copy of the identity card, passport or of another official document confirming the identity of the Shareholder,
- in the case of a Shareholder other than a natural person – a copy of an extract from the relevant register, issued not later than three months before the date of the General Meeting, or of another document confirming the right of the natural person(s) to represent the Shareholder at the General Meeting (e.g. an uninterrupted sequence of powers of attorney). The lack of a document confirming the authorisation of a natural person to represent the Issuer's Shareholder (e.g. the holding of an out-of-date extract from the National Court Register or a printout from the Central Enquiries of the National Court Register) may result in the Shareholder's representative not being admitted to participate in the General Meeting.

To identify a Shareholder giving the power of attorney in the electronic form, the above documents shall be sent in the electronic version as attachments in the "pdf" format) to the following address: wza@inpro.com.pl.

In the event of doubts about the copy of the documents listed above being true or not, the Company's Management Board reserves the right to require the attorney in fact to produce the following at the point of the list of attendance being made:

- in the case of a Shareholder who is a natural person – a copy of the identity card, passport or of another official document confirming the Shareholder's identity, such a copy certified by a notary public or another entity authorised to certify the copies of documents as their true copies,
- in the case of a Shareholder other than a natural person – the original or a copy of an extract from the relevant register, issued not later than three months prior to the date of the General Meeting, or of another document confirming the right of the natural person(s) to represent the Shareholder at the General Meeting (e.g. an uninterrupted sequence of powers of attorney), such a copy certified by a notary public or another entity authorised to certify the copies of documents as their true copies. The lack of the appropriately certified document authorising the natural person to represent the Shareholder (e.g. the holding of an out-of-date extract from the National Court Register) may result in the Shareholder's representative not being admitted to participate in the General Meeting.

The power of attorney may be granted on the form provided at the Company's web site at www.inpro.com.pl, the For Investors / General Meeting tab (in conformity with Article 402³ § 1 item 5 of the CCC). The use of the form by the Shareholder is not compulsory, however, the document confirming the power of attorney must contain at least those personal identification elements, which are contained in the form. Sample instructions on how the voting right can be exercised through an attorney in fact have also been published at the above web site and taking advantage of those instructions is voluntary too.

In view of the need to verify the documents, the Company shall be advised of the granting of the power of attorney in the electronic version, at least one day before the date of the Ordinary General Meeting, via electronic mail to wza@inpro.com.pl, by way of sending the power of attorney in the "pdf" format signed by the Shareholder or, in the case of Shareholders other than natural persons, by persons authorised to represent the Shareholder.

As it is necessary to verify the submitted documents, notices of granting or cancellation of the power of attorney to participate in the General Meeting shall be submitted to the Company not later than **19 June 2024**, 15:00 hrs.

On the basis of the above form, the Shareholders who are natural or legal persons may appoint any natural person or entity other than a natural person their attorney in fact. To appoint an attorney in fact, the relevant blanks identifying both the attorney in fact and Shareholder on the first pages of the power of attorney shall be filled in and the remaining blanks crossed out. A Shareholder is authorised to appoint more than one attorney in fact or authorise one attorney in fact to vote under only a part of the Company's shares held and registered by the Shareholder at the General Meeting. In both cases, the Shareholder is obliged to specify in the voting instructions the number of the Company's shares under which the given attorney in fact is authorised to vote. If several attorneys in fact are appointed, a relevant form shall be completed for each of the attorneys separately.

To identify the attorney in fact, the Company's Management Board reserves the right to require him or her to produce the following at the point of the list of attendance being made:

- in the case of an attorney in fact who is a natural person – a copy of the identity card, passport or of another official document confirming the identity of the attorney in fact,
- in the case of an attorney in fact other than a natural person – the original or a copy of an extract from the relevant register, issued not later than three months before the date of the General Meeting, or of another document confirming the right of the natural person(s) to represent the Shareholder at the General Meeting (e.g. an uninterrupted sequence of powers of attorney), and a copy of the identity card, passport or of another official identity document of a natural person(s) authorised to represent the Shareholder at the Ordinary General Meeting, such copies certified by a notary public or another entity authorised to certify the copies of documents as the true copies of the originals. The lack of a document confirming the authorisation of a natural person to represent the Shareholder (e.g. the holding of an out-of-date extract from the National Court Register) may result in the Shareholder's attorney in fact not being admitted to participate in the General Meeting.

V) The opportunity to participate in the General Meeting by electronic communication means

Neither the Company's Statutes, the By-Laws of the General Meeting nor the Management Board provide for the opportunity to participate in the General Meeting by electronic communication means. Moreover, this Ordinary General Meeting

The Management Board has the right to refuse to provide information if this could cause damage to the Company, associated company or subsidiary, in particular through the disclosure of technical, commercial or organisational secrets of the enterprise. In the documentation submitted to the nearest General Meeting, the Management Board shall disclose information given to the shareholder outside the General Meeting with the date of its transmission and the person to whom information has been provided. Information submitted to the nearest General Meeting may not comprise information given to the public and provided during the General Meeting. Pursuant to Article 429 of the Commercial Companies Code, a shareholder who has been refused the disclosure of requested information during the session of the General Meeting and who reported his or her objection to the minutes, may file an application at the registry court to obligate the Management Board to provide information.
